TESTIMONIALS

Heidi Stevens' session brought me to my knees. I needed the thoughts she articulated in her session. Thank you for everyone's hard work this week!

I am inspired to improve all of my teaching by reveling in the wonder of God's revealed creation and challenging my students to find Christ in all things.

Just fantastic! Everyone was so warm, welcoming, and eager to share. It's clear that you all love the Lord and classical Christian education. I hope to bring my whole team next year!

I appreciated the theoretical and practical integration of the topics that were discussed. The conference was a wonderful experience!

The most important fact about the subject of education is that there is no such thing. Education is not a subject, and it does not deal in subjects. It is instead the transfer of a way of life.
