

UNIFORM

The Rockbridge Academy uniform standard includes a Daily Wear option for Upper School students. Students opting to wear this uniform must also be prepared for the Dress Day uniform requirement. The Dress Day Uniform is required whenever a student is giving a speech or oral presentation, when going on field trips, for all assemblies, and when directed by the principal for appropriate school events.

The hem of all girls' and young ladies' skirts and jumpers must be to the top of the knee. Skorts must be no more than 1" above the knee. Skirts, jumpers, and skorts can be special ordered with a "long" option for an additional \$10/item, providing an extra four inches of length. The "long" option is strongly encouraged, particularly in the skort. Special orders must be done over the phone and are not available through online ordering. Parents are responsible to monitor skirt length with growth spurts. The school maintains an inventory of skorts in all sizes to facilitate ordering the correct size without having to travel to the Dennis store in Catonsville.
