

SCOTS ORCHESTRA

AUDITION INFORMATION:

New students registering for the Scots Orchestra will be asked to play a short, informal audition on the first day of rehearsals. Please bring your instrument and your reading book; no need to bring a music stand.

Please prepare the following:

1. Your most polished solo (minimum level Perpetual Motion in Suzuki Book 1 or a piece of comparable level); memorized
2. A one (or two) octave scale in any bowing
3. Two lines from any reading book

Auditions will be held at the first rehearsal, following the parent meeting.

Sections will be assigned at the director's discretion after auditions.

Returning students do not need to re-audition.
